6.5.2 (a) The teacher shall use the scheduled preparation time for classroom preparation work.

(b) The teacher shall determine where s/he will perform classroom preparation work.

(c) The teacher will have provided the site administrator with appropriate phone number(s) should s/he need to be contacted and shall be available by phone during normal work hours.

(d) If there is not adequate substitute coverage, the site administrator may require the teacher to report to the school to teach her/his class. The teacher shall return as soon as reasonably possible.

(e) The District agrees to pay two (2) hours of call-in pay to the teacher directed to return to campus to instruct her/his classroom. The teacher shall be paid a 2/7 of the teacher's daily rate for reimbursement of past and future lost preparation time having to prepare lessons for a substitute teacher.

- 6.5.3 On the first non-teaching work day the prep time teachers in collaboration at each site will design the schedules for prep time sessions so that they are as evenly spaced as possible. The District has the final determination on these schedules as well as days and hours for preparation time, including preparation time provided by substitutes. The scheduling shall be as equitable as possible from site to site.
- 6.5.4 The District may direct the teacher to perform tasks other than class preparation duties during the preparation time provided, such duties are limited to emergency situations as deemed necessary by the District.
- 6.5.5 The District may set restrictions on when elementary prep time may be used. Specifically, unless approved by the Site Administrator, sub-provided prep days will be permitted under the follow conditions:
- Tuesdays, Wednesdays and Thursdays
 - A maximum of 3 teachers per site on any given day

Additionally, the teacher is required to attend any called meeting time meetings on sub-provided prep days.

6.6 **Kindergarten Teachers**

- 6.6.1 Not more than 250 minutes of teaching. If the teacher is supervising students during recess, these minutes will be included in the total instructional minutes for the purposes of calculating the teacher's workday unless mutually decided otherwise by the school site. A half-day shall be defined as 125 instructional minutes.
- 6.6.2 All primary grade teachers, including Kindergarten teachers, will remain on campus the same number of minutes per day. Outside the instructional day, Kindergarten teachers will engage in activities or tasks related exclusively to their own students, as well as incoming or outgoing students. These include but are not limited to consultation with other support personnel such as speech therapists, special education teachers, counselors, parent conferences or communications and IEP's. Additionally, duties outside the instructional day will not include supervision of students or tasks that involve students not assigned to their own class. The district may direct the teacher to perform tasks during the non-student time, provided such duties are limited to emergency situations, as deemed necessary by the district.

6.7 **Teachers of Grades One (1) Through Three (3)**

- 6.7.1 Not more than two hundred eighty (280) minutes of teaching plus supervision (as per 6.12.2). A half-day shall be defined as 140 instructional minutes.

6.8 **Teachers in Elementary Schools of Grades Four (4) Through Five (5) and Elementary Music Teachers**

- 6.8.1 Not more than three hundred (300) minutes of teaching plus supervision

(as per 6.12.2). A half-day shall be defined as 150 instructional minutes.

6.9 **Teachers in Junior High Schools and High Schools**

- 6.9.1 Not more than two hundred eighty (280) minutes of teaching divided into not more than five (5) teaching periods. A half-day shall be defined as half the periods available to students in a regular daily schedule. The teaching periods and the preparation period for any classroom teacher shall not extend beyond six (6) consecutive class periods unless mutually agreed to by the teacher and the District. If by mutual agreement, the teacher's teaching periods and preparation period extend beyond six (6) consecutive periods, the teacher's total student day time will remain unchanged. Such mutual agreement shall be in writing and a copy forwarded to the Association.

6.10 **Additional Sixth Period Class**

- 6.10.1 A full-time teacher may volunteer and may be appointed by the District to teach an "additional Sixth Class." The weekly class time for the Additional Sixth Class will be equivalent in length to the weekly class time for the other classes at the school. This extra class assignment may be terminated by the teacher at the end of the grading period (i.e. at the end of the quarter for quarter class; at the end of a trimester for a trimester class; at the end of a semester for semester and year classes with a minimum of three [3] weeks' notice to the District prior to the end of the semester). The District reserves the right to terminate the class at its discretion. The teacher shall perform all additional work related to the Additional Sixth Class. The teacher's teaching periods and preparation period will extend beyond the regular six (6) consecutive periods. The class size provisions in Article 7, Class Size, of this Agreement are applicable to the Additional Sixth Class, with the exception of the maximum of one hundred seventy-five (175) students assigned provision which may be increased to a maximum of two hundred ten (210) assigned students.
- 6.10.2 One (1) preparation period equivalent in length of time to one (1) of the teaching periods at the school will be assigned to teachers. The District may require a teacher, counselor or clinician to perform duties other than activities related to his/her professional responsibilities during a preparation period, provided such is limited to assisting staff during emergency situations. A teacher, counselor or clinician required by the District to perform other duties during his/her preparation period in an emergency situation (i.e. Code Red/Yellow) shall not be paid extra compensation. A teacher, counselor or clinician may volunteer, at the request of site administration, to perform other duties, such as teach in another class, during his/her preparation period in a non-emergency situation (i.e. substitute no-show). Pay for volunteering to teach a class during a unit member's preparation period shall be as follows:
- Unit members assigned to schools with a **6-period day** will receive one-seventh (1/7th) of the unit member's daily rate of pay.
 - Unit members covering a class for a school with an **8-period block schedule on a day with 4 periods** will receive one and one-half (1.5) hours based on the unit member's hourly rate of pay.

- Unit members covering a class for a school with an **8-period (Anchor) day specifically on the day with 8 periods** will receive .75 of one hour based on the unit member's hourly rate of pay.

6.10.3 The District may assign a maximum of twelve (12) advisory periods per school year to unit members. These shall not be teaching periods as defined in this Article. All teaching periods, the advisory period, and the preparation period shall, however, be held within the period of the day normally allotted to teaching periods and the preparation period.

6.10.4 The District may assign a maximum of twelve (12) advisory periods per school year to unit members. These shall not be teaching periods as defined in this Article. All teaching periods, the advisory period, and the preparation period shall, however, be held within the period of the day normally allotted to teaching periods and the preparation period.

6.10.5 Once per year, per school site, the District may choose to create a class schedule within the existing school day for the purpose of allowing a school-wide assembly and/or presentation to occur for the benefit of students.

6.10.6 In the event the district is unable to offer a regularly scheduled prep period to secondary teachers of moderate/severe special day classes (including ED classes), those teachers will be paid for a sixth class as described in 6.10.1 unless the individual indicates to CUSD Human Resources prior to August 1, his or her preference to receive twelve days of substitute prep time.

6.10.7 Once per year, per school site within a two-week window, the District, in conjunction with a majority of the CUTA members on the site, may choose to create a class schedule within the existing school day for the purpose of allowing a school to administer mandated state testing (see 6.28.1)

6.10.8 Once per semester, within a window of five consecutive school days, the District, in conjunction with a majority of the CUTA members on a site, may choose to create a class schedule within the existing school day for the purpose of administering finals testing (see 6.28.1).

6.11 **Teachers of Alternative Education**

6.11.1 Continuation High School: Not more than one (1) three hundred forty (340) minute teaching session each day, of which no less than a forty-five (45) minute period will be set aside for teacher preparation.

6.11.2 Center For Alternative Learning: Not more than one (1) three hundred forty (340) minute teaching session each day, of which no less than a forty-five (45) minute period will be set aside for teacher preparation.

6.11.3 Independent Study, grades 6-12: Not more than one (1) three hundred forty (340) minute teaching session each day of which no less than a forty-five (45) minute period will be set aside for teacher preparation. K-6 Independent Study teachers serving elementary schools

will receive the same amount of preparation time as other K-6 elementary school teachers receive.

- 6.11.4 Community Day School: Not more than one (1) three hundred sixty (360) minute teaching session each day. Teachers of a Community Day School (as defined in Education Code sections 48660 *et seq.*) shall not receive a preparation period; rather, such teachers shall be deemed to teach an “additional sixth class” as defined in this agreement.
- 6.11.5 Minutes and passing periods at the two comprehensive high schools will be as they were in the 2003-2004 school year, with the understanding that with the seven minute passing periods, unit members will only be required to stay ten (10) minutes beyond the end of the student day instead of the fifteen (15) provided in 6.12.1.
- 6.11.6 Any change to beginning or ending time of the student schedule at any school will be discussed and agreed to by a majority of the unit members at the school prior to implementation (see 6.28.1). The proposed new schedule and the results of the staff vote will be forwarded to the CUTA E-Board for approval at least 20 unit member work days prior to implementation.
- 6.11.7 Online Teachers: Online teachers will work hours equivalent to that of other secondary classroom teachers; however, said time may be outside of regular contract hours at the discretion of the teacher such that students are able to regularly and readily contact the teacher, and the regular class work performed by these teachers need not be done at a regular school site.

6.12 **Non-Student Day Time**

- 6.12.1 Unless performing student supervision duty, unit members will work on site an additional fifteen minutes prior to and after the close of the student day, engaged in activities related to the teaching task.
- 6.12.2 Based on each unit member’s full or part-time service, all forms of student supervision duty, including recess, will be assigned as proportionally and as equitably as possible at each site to all unit members. Supervision may be assigned 30 minutes prior to the start of the student day or during the fifteen minutes after the close of the student day. Supervision duty shall not exceed fifteen minutes. Unit members shall not be assigned more than one supervision duty per day. If unit members on an elementary campus site of less than 300 students vote to add an afternoon recess, one additional duty per day may be assigned at that site.
- 6.12.3 Teachers shall work such additional hours as the District shall designate, not to exceed eight (8) hours in any one (1) school calendar month, or sixty (60) hours in any one (1) school year, for the purposes of meetings or activities authorized and directed by management personnel, as the District shall, in its discretion, deem necessary. Except for Back to School Night and Open House, or as noted in 6.2.3, all activities are to begin within fifteen (15) minutes of the end of the student day. Teachers must be notified thirty (30) calendar days in advance of Open House and no later than the first day of school for

Back to School Night. Except for meetings called to respond to an emergency situation, unit members will be given seven (7) calendar days' prior written notice of the meeting. Staff Development may be held during these hours provided that Staff Development is on the meeting agenda. The District shall schedule all faculty meetings to commence no earlier than fifty (50) minutes prior to the start of the student day. Meetings prior to the start of the student day shall not be held at a school site during a school year unless in that year two-thirds (2/3) of the unit members assigned to the site have agreed to permit them (see 6.28.1).

The District shall encourage site administrators not to hold staff meetings during the week when grades are due. Additionally, the District shall provide 60 minutes to CUTA during the initial new teacher summer orientation to educate all new teachers regarding retirement/403b options, planning and other information.

- (a) Part-time unit members shall attend a prorated share of called meeting time regardless of the meeting start time (as per section 6.12.3). Part-time unit members will attend back-to-school nights and open-house nights as part of their prorated share of called meeting time.
- (b) Unit members who do not attend mandatory called meeting time (e.g., staff meetings, District Wide Collaboration days, etc.) may have deducted from their accrued sick leave, one-quarter (1/4) day of personal necessity or sick leave.

6.12.4 The classroom teacher will work additional time necessary to complete the responsibilities enumerated in this section. These responsibilities are to be completed at the discretion of the individual teacher within time frames as directed by the District:

- (a) completing classroom preparation, including but not limited to daily and long-range instructional planning, instructional materials selection and preparation, etc.;
- (b) keeping of student reports and records on attendance, behavior, grades, performance, tests, citizenship, and other student reports and records. All CUSD secondary classroom teachers will utilize the AERIES grade book and grade reporting components. This will be utilized by teachers such that (to the extent that students have turned in work in a timely manner) a parent/guardian, other teacher, school counselor, administrator, or other essential staff can reasonably track student progress;
- (c) maintaining a proper and professional, classroom environment;
- (d) completing any further activities necessary to accomplish the teacher's professional responsibilities. Responsibilities to be completed as directed by the District;
- (e) participate in the evaluation of the teacher's performance and the improvement of her/his performance;
- (f) participate in parent and/or student conferencing, advising and communications;
- (g) participate in fire drills, civil defense preparation and other student safety, health and welfare requirements.
- (h) teacher shall provide and make ready one day of emergency substitute plans in case of an unexpected absence. The District shall provide called meeting time to develop plans.
- (i) in the even that a teacher is absent less than 11 consecutive days (except in case of emergencies) the teacher shall provide lesson plans for days one through ten (1-10). Thereafter the long-term substitute shall provide all lesson plans.

- 6.12.5 All classroom elementary school teachers for grades one (1) through six (6) and Alternative Education School teachers shall be provided with a ten (10) minute morning and a ten (10) minute afternoon unassigned relief period each day, less student passing time as scheduled at the District's discretion. These relief periods will not be scheduled adjacent to the beginning and ending of the student day, or to the student lunch, unless a majority of the affected teachers at a school site elect to schedule the relief period at that time (see 6.28.1). For implementation in the following year, each site's selected relief period schedule will remain in effect year to year unless a member requests a vote and the result of said vote is a majority of the affected teachers elect to change the schedule. Each year a copy of each site's selected schedule, for both regular and rainy days, will be forwarded to CUTA and the District prior to the first student day of the school year.
- 6.12.6 All unit members shall each day be provided with one (1) duty-free, uninterrupted lunch period of thirty (30) minutes, or the length of the student lunch period at the site, if longer, provided, however, that to allow for student passing time, inclement weather days or in emergency situations as deemed necessary by the District, said lunch period may be thirty (30) minutes even though the student lunch period at the site is longer than thirty (30) minutes. In an emergency such as a code red lock down, district procedures may require supervision through the duty free lunch period, recess and on campus preparation time.
- 6.12.7 Within three (3) weeks of the close of Trimester 1 and Trimester 2, the Director of Elementary Education will send an invitation via email to all teachers at each grade level (TK-6 in elementary schools) to participate in a report card assessment/feedback session(s). The goal of the session(s) will be to include as many teachers as possible in providing feedback and suggestions for the elementary report card for possible changes to be implemented the following school year.

6.13 **Hours on Non-Teaching Work Days**

All unit members shall work a total number of hours on each non-teaching workday equal to the hours required on teaching work days as scheduled at the discretion of the District. The hours of work on non-teaching work days (except elementary parent/teacher conference days scheduled by the teacher) shall conclude at or before three o'clock (3:00) p.m.

6.14 **Counselors, Nurses, Library Media Teachers and Speech Therapists**

Whenever possible, the additional responsibility will be mutually agreed to by the District and the unit member. Although these additional responsibilities are a consequence of a unit member's regular assignment, the unit member shall receive an extra-pay stipend (see Extra-Pay "Assignments" listed on schedule W-EPM, W-EPISA) since these additional responsibilities will require additional time beyond that defined within this Article. A unit member shall work such additional time as shall be required to complete the additional responsibilities in a professional manner.

6.18 **Additional Time for Extra-Pay "Positions"**

- 6.18.1 Each unit member who has served satisfactorily, as determined by the District, in an extra-pay position during the current school year and expresses a willingness to be appointed to the same extra-pay position for the following year will be notified by June 1 of his/her reappointment for the next school year (reappointment provisions do not apply to teacher-in-charge positions). Unit member appointment/reappointment to teacher-in charge positions will be made annually at the discretion of the District in compliance with the provisions of this Agreement. The appointment will be contingent upon the program being offered by the District in that school for the following year.
- 6.18.2 An extra-pay position which is not filled via the reappointment process will be declared an open position. All unit members who are interested in being considered for the position (see Extra-Pay "Positions" listed on Schedules W-EPM, W-EPSA and W-EPA) may submit an application to the District Personnel Office.
- 6.18.3 The District will first consider unit member applications for the open position. A unit member candidate who is properly qualified, as determined by the District, will be appointed to the position unless there is more than one qualified unit member applying for such position. In such instances, the District will interview all qualified unit members to determine the person appointed to the position. In the event that no unit member is appointed to the position, other applicants will be considered. Appointments to all extra-pay positions will be based on District timelines and contingent upon the program being offered in the school for the following year.
- 6.18.4 Each unit member who is appointed to an extra-pay position will work such additional time as necessary to complete the responsibilities in a professional manner as set forth in the District-adopted job description. The District may amend or modify job descriptions at the conclusion of each school year to be applicable to the subsequent year.

6.21.4 Such additional hours as the District shall designate, not to exceed five (5) hours during the summer sessions covered by the Contract, for the purpose of faculty meeting, grade-level meetings and planning sessions.

6.24 **Exceptions**

Exceptions to the above extra work-extra pay arrangements include the following work:

- 6.24.1 The District may require work during release time from a teaching work day without extra pay for inservice activities approved by the District after consultation with CUTA. Further, the District may require work during release time from a teaching work day without extra pay for reactive problem solving conferences, for individual problems deemed essential by the site administrator, for evaluations of interim and terminal graduation competency requirement assessments, for parent conferencing, for instructional planning and articulation, and inservice activities at the school site(s).

- 6.25.4 Unit members shall be paid a salary which is the pro rata share of the salary he/she would be earning had he/she not elected to exercise the option of part-time employment, but shall retain all other rights and benefits for which unit member makes payments that would be required if he/she remained under full-time employment.
- 6.25.5 Unit members shall receive full health benefits, as provided in the teaching contract, in the same manner as a full-time unit member.
- 6.25.6 Minimum part-time employment shall be equivalent to one-half (1/2) the number of days of service required by the unit member's contract of employment during final year of service in a full-time position.
- 6.25.7 A unit member who meets minimum qualification and participating requirements is entitled to receive a full year of service credit and have the retirement allowance, as well as any other benefits, based upon the salary that would have been received if employed on a full-time basis. Unit member failing to meet all of the above requirements will receive only that service credit based on the ratio of earnings to earnable salary and will not receive service credit that would have been received if employed on a full-time basis.
- 6.25.8 This option is limited to certificated unit members who do not hold positions with salaries above that of a school principal.
- 6.25.9 This option is limited to a period of ten (10) years of such part time status.
- 6.25.10 A unit member who chooses this option and the District shall contribute to the State Teachers Retirement Fund the amount that would have been contributed if employed on a full-time basis. Part-time status shall be based on a full school year, with minimum compensation paid on time worked equal to no less than one-half (1/2) time. Unit members will be paid on a monthly basis for twelve (12) months.
- 6.25.11 Eligibility for placement in the program will be determined by the District on an individual basis, considering subject areas, enrollments, etc.
- 6.25.12 Part-time certificated personnel are responsible for attending faculty meetings and pre-school meetings. They are also to assume the same portion of "other duties" (supervision, etc.) equal to their teaching obligation factor. The principal may modify these requirements according to the specific situation.
- 6.25.13 Ninety (90) days of service, exclusive of sick leave, bereavement leave or personal necessity leave, are required in this program.

- 6.25.14 Unit members may resign any time, subject to the provisions of #3 above, but may not return to full-time employment in the District. Participation is limited to ten (10) years. ARTICLE 7

CLASS SIZE

7.1 **Class Size for Unit Members Employed for the Regular School Year**

The District shall have discretion to determine class size for all unit members employed for the school year, subject to the following limitations:

- 7.1.1 The District-wide staffing ratio of pupils to FTE adults shall be not in excess of 160/1 for secondary schools and 30/1 for grades 1-6 in elementary schools.
- 7.1.2 Class size during the first semester and first trimester for 90% of the classroom teachers employed for the regular school year beginning with the 21st teaching day, and 100% of the classroom teachers employed for the regular school year beginning with the 31st teaching day, shall not exceed the indicated maximum students per class or students assigned per classroom teacher for the grades listed in paragraph 7.1.4.
- 7.1.3 Class size during the second semester and second and third trimester for 90% of the classroom teachers employed for the regular school year beginning with the third teaching day, and 100% of the classroom teachers employed for the regular school year beginning with the fifth (5th) teaching day, shall not exceed the indicated maximum students per class or students assigned per classroom teacher for the grades listed in paragraph 7.1.4.

(a) *Kindergarten – Grade 3*

Thirty (30) students/class provided that up to 30% of the classes (districtwide) may at the District's discretion have as many as 31 students per class in grades K-3. The addition of one student to a teacher class size as described above is not voluntary but the teacher will be compensated at a rate of \$500 per semester for the additional student (semester is defined the same as the secondary level).

(b) *Grades 4-6 in elementary schools*

Thirty-three (33) students per class provided that up to 30% of the classes (districtwide) may at the District's discretion have as many as 34 students per class. The addition of one student to a teacher class size as described above is not voluntary but the teacher will be compensated at a rate of \$500 per semester for the additional student (semester is defined the same as the secondary level).

(c) *Secondary Schools*

Students enrolled in a two period block are counted as one student per each period. By mutual agreement of the teacher and administration, a teachers overall cap may increase to 180 students. Should the teachers total student caseload exceed 175, the teacher will receive a stipend of \$500 per semester for each student

exceeding the caseload cap. The maximum cap number is prorated for part time teachers (example: .8 FTE = 140/144 students). Each \$500 payment increases a teacher's caseload by one for the duration of the semester up to a maximum of \$2500 and a caseload of 180 students. If a teacher at some point of the semester qualifies for a caseload stipend, he/she will be compensated for the entire semester regardless if the student caseload then drops later in the semester.

Prep time providers in Class C, provide thirty four (34) sessions of thirty minutes each of elementary prep time, as defined in 6.5.1. Class C providers are considered full time at 35 classes. If Class C providers are music teachers, band (or other activities that take longer than 30 minutes) will count as two (2) classes.

- 7.1.4 Class sizes may exceed the maximums set forth in paragraph 7.1.3(c) of this Article by mutual consent of the individual unit member and the District shall be executed in writing and filed with the CUTA and the District.

Examples of this exception include but are not limited to Band, Choir, Theater, Student Government and Sports Conditioning.

- 7.1.5 A student shall not be counted as a member of a class until he or she has been in it for more than 10 days.

- 7.1.6 Grades kindergarten through sixth students attending a regular class, regardless of the amount of class time involved, shall count as one full student in calculating the size of the regular class.

Grades 4-6 combination classes shall have a class size of no more than 28 total students, with the exception that three of these classes may exceed 28 to a maximum of 30. *Added 2004-05.*

 - (2) When an individual in the District is required to hold a Counseling Credential to work as a counselor at a school site, credit of a maximum of fourteen (14) years for that individual's clinical experience may be granted for step advancement on the salary schedule. The individual must have had the clear license at the time of prior employment in order to receive credit for past experience.

The CUTA shall have the right to have a representative present at this conference if requested by the unit member or if the unit member is unavailable.

(d) Should the unit member still object to the transfer after the second conference, the District shall have the discretion to implement the transfer over the objections of the unit member, provided the District has confirmed, in writing, the reason originally given for the transfer.

11.7.5 If a unit member is involuntarily transferred, the District will provide packing supplies for the unit member's classroom materials. The District will transport the classroom materials to the unit member's new work site.

11.7.6 Unit members involuntarily transferred to another school shall be paid two (2) full days' pay at their daily rate for moving.

11.7.7 A unit member who is involuntarily transferred during the school year to a different subject area or grade level shall also receive two (2) days of release time for preparation and orientation or two (2) days' pay at their daily rate if mutually agreed to by the unit member and the District.

All references to “school closure” in Section 11.8 shall include school closure and phasing out of a program (e.g. ending the Neighborhood Program at Hooker Oak).

- 11.8.2 Each site will announce the number of anticipated vacancies.

(a) Displaced teachers who have contacted the supervisor for a one-on-one discussion will:

2. receive “first consideration” for other vacancies.

(b) Interested permanent and probationary teachers at other sites may also contact supervisors to meet for a one-on-one discussion.

(c) Teachers at a site can be reassigned only after all displaced teachers have been placed except for any openings at a school site that are created through retirement, resignations, etc. The Principal may utilize these positions for internal reassignment prior to filling them with displaced teachers.

(d) Each supervisor will notify the Assistant Superintendent of Human Resources of his/her preference(s) to fill open positions at their site. Placement recommendations shall be based on the application of the criteria in Paragraph 11.1(g).

(e) The Human Resources office will review the supervisor’s preference(s), consider input from the Association and finalize placements.

(f) The Human Resources office shall notify each affected displaced teacher and each supervisor of the displaced teachers placed at their site.

(g) For new openings that occur subsequent to the process described above, the regular contract provisions will be in effect. However, for twenty-four (24) calendar months following a school closure, a displaced unit member shall be given first consideration for vacancies for which they apply.

(h) The provisions of this Section (11.8) shall not apply if the District must conduct a layoff of bargaining unit members.

(i) After displaced members are assigned, voluntary transfer and reassignment processes may be utilized as described in Sections 11.4 and 11.6.

This shall not apply if there have been modifications to the educational program at the unit member's former work site – in such case, the unit member is subject to assignment/ reassignment/transfer in the same manner as if he/she had not been in the grant-funded position. The 12-month provision on return rights shall only apply to those members entering Chico Unified School District grant funded positions after July 1, 2021. In the event that there is tentative agreement reached at a negotiating session on a matter, said tentative agreement shall be reduced to writing and contained in a memorandum of agreement, which shall be executed, subject to later ratification by the CUTA unit members and the Board of Education.
- 15.6 The CUTA designated representatives shall have reasonable periods of release time without loss of compensation while meeting and negotiating pursuant to Section 3540.1 subsection (h) of the Government Code.

SAVINGS PROVISIONS

- 16.1 If any provisions of this Agreement are held to be contrary to law by a court of competent jurisdiction, such provisions will not be deemed valid and in effect except to the extent permitted by law, but all other provisions will continue in full force and effect.

ARTICLE 17

EFFECT OF AGREEMENT

- 17.1 It is understood and agreed that the specific provisions contained in this Agreement shall prevail over District policies and procedures and over State laws to the extent permitted by State law, provided said policies, procedures and laws are within the specific confines and limits of this Agreement.

ARTICLE 18

TERM

- 18.1 The term of this agreement shall continue to be three (3) years through the automatic extension of this agreement by an additional year when the first year expires within any subsequent three-year time frame, unless either party gives written notice of termination of this automatic extension clause not later than July 31 of any year beginning July 31, 2006. The Agreement shall automatically expire three (3) years from the August 31 next following date of service of the written notice. This paragraph shall be severed without effect on any other provision, in the event it is not in accordance with California Law.
- 18.2 The term of the Agreement shall be extended through August 31, 2026 with re-openers as follows:
- (a) For the 2022/23 school year, Articles 8 and 9 shall be reopened plus one (1) other article of topic of bargaining by each party.
 - (b) If the negotiated agreement creates a District contribution for medical insurance that exposes the District to payment of a penalty pursuant to the ACA “Cadillac tax,” the parties will promptly meet to redistribute the District’s contribution to eliminate the application of the Excise Tax (and any other adverse impacts or effects) to either the District or a unit member.
- 18.3 To the extent permitted by law, the term shall continue thereafter until altered by negotiation as provided in Article 15 – Negotiation Procedures, or until terminated by written notice by either party, as provided herein. The extension of this term shall also include the extension of any previously signed addendums and side agreements except as otherwise amended.

ARTICLE 19

DISTRICT RIGHTS

- 19.1 This Article is intended to insure that the District retains all rights and powers which it has not agreed to limit in other Articles of this Agreement; this Article is not intended, nor shall it be construed as: (1) expanding the rights of the District beyond statutory and constitutional limits; (2) waiving the rights of individual unit members under the Education Code or other statutes or constitutions; or (3) waiving or otherwise diminishing the rights of the Association or of unit members as set forth in other Articles of this Agreement. If there is a direct conflict between the retained rights of this Article and the rights of unit members or of the Association as set forth in some other Article of this Agreement, the language of the Agreement shall prevail. Also, it is recognized that some of the following matters fall within the exclusive representative's right to consult as set forth in the Government Code Section 3543.2(a), and this Article is not intended to limit those consultation rights, but rather to indicate that the final decision on "consult issues" lies with the District. Subject to the foregoing qualifications, it is understood and agreed that the District shall retain its rights and responsibilities as defined by the state and federal statutes. The District shall accomplish the full exercise of all such rights and responsibilities unless and except such rights and responsibilities are limited by statute and/or by this Agreement. With respect to the bargaining unit work and the unit members represented by CUTA, such District retained rights include but are not limited to the exclusive right to: determine organization; direct the work of its employees; determine the time and hours of operations; determine the kinds and levels of services to be provided, and the method and means of providing them; establish its educational policies, goals and objectives; insure the rights and educational opportunities of students; determine staffing patterns; determine the number and kinds of personnel required; maintain the efficiency of district operations; determine the curriculum; build, move, or modify facilities; establish budget procedures and determine budgetary allocations; determine the methods of raising revenue; take action on any matter in event of an emergency and engage in the exercise of further unspecified rights necessary to discharge management's responsibility provided, however, that such unspecified rights shall not conflict with the specific and expressed terms of this Agreement and/or law; and in addition, the District retains the rights to hire, assign, reassign, evaluate, and terminate employees, and to determine the effects and impact of any action implementing these rights.
- 19.2 The exercise of the foregoing rights, authority, duties and responsibilities by the District, the adoption of rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and expressed terms of this Agreement and applicable statutes.

- 19.3 This Article shall not be subject to the terms and conditions of Article 14 – Procedures for Processing Grievances. However, nothing contained herein shall be construed to prevent the filing of grievances pursuant to Article 14 contending that the District has violated an expressed term of some other Article of the Agreement which has not by its own terms been excluded from the grievance procedure.
- 19.4 The District retains all rights, powers, and authority to govern the student teaching program within the District.

ARTICLE 20

*Added
2005-06* A one (1) year waiver may be submitted for approval by the CUTA Executive Board and the District when all points of view have been heard, at least 75% of the unit members at a site support an option, and the will of the group is evident – even to those who most oppose it.

20.4.1.A Voluntary Transfer Rights

If a one (1) year waiver is approved, those opposed will be granted voluntary transfers to other sites if requested in writing and if an appropriate placement is available.

20.4.2 Three (3) Year Waiver

A three (3) year waiver may be submitted for approval by CUTA and the District when 100% of unit members at a school site support an option, and each can say (1) that consensus was reached fairly and openly, (2) that it was the best solution for us at this time, and (3) that even though it might not be my preferred option, my point of view was heard and understood, and I will not block the option.

20.5 Approval of Waiver Request

The waiver does not become effective until it is approved in writing by CUTA and the District. As a general rule, and whenever possible, the District and CUTA shall decide whether to approve or deny a waiver request within thirty (30) calendar days after receiving the request.

20.6 Waiver Renewal Language

20.6.1 One (1) Year Waiver

20.6.2 Three (3) Year Waiver

Unit members at a school site may request a renewal of the three (3) year waiver providing they have met the conditions for application in Section 20.4.2. 20.6.3 Automatic Renewal

School sites which have utilized the same waiver for three (3) consecutive years will have their waivers automatically renewed in subsequent years without having to reapply. The District or CUTA may request, by February 1, that a site resubmit a waiver application for the following school year as per 20.4.1. If a school alters an existing waiver in any way for the following school year, the site must reapply as per 20.4.1.

20.7 Record of Waivers

All approved waivers shall be reduced to writing and numbered for record keeping.

20.8 Past Practice

Implementation of replacement language shall not establish a past practice.

ARTICLE 22

EFFECTS OF LAYOFFS

22.1 Notice to Association of Potential Unit Member Layoff

The District shall notify the Association of any proposed layoff of unit member(s) prior to such proposal being submitted publicly. The District shall notify the Association of all specific unit members to be given notices under Education Code Sections 44949-44955 at least five (5) days prior to the notices being distributed. This list will include unit member names, seniority dates, internal seniority dates if applicable, current assignments, portions of assignments to be reduced, and credentials and any supplements held.

22.2 Order of Layoff of Unit Members

22.2.1 The layoff of unit members shall be based upon the Education Code, except as modified in this article.

22.2.2 A unit member to be laid off shall be given the opportunity to be transferred and/or assigned to a position filled by a unit member with less seniority if the more senior unit member then holds a valid credential for the position held by the less senior unit member.

22.3 District Seniority: Ties in District Seniority

*Revised
2013-14*

22.3.1 Seniority in Chico Unified School District is based upon the date that the employee first rendered paid service for the District in a probationary position.

22.3.2 In the event that two or more unit members first rendered paid certificated service for the District in a permanent or probationary position on the same date, the needs of the District and students shall be used to break ties as follows:

22.3.2.A First: By hire date: The hire date shall only apply to unit members that served in a temporary position with CUSD immediately prior to and contiguous with their probationary status. A unit member's hire date shall be the first day of paid service for the District in a temporary position that was immediately prior to and contiguous with their probationary status. Such temporary experience shall not include any substitute service. A break in contiguous service of any length will result in a new hire date when service resumes.

22.3.2.B Second: Rank of members with seniority tie dates shall be ordered through the following criteria and numerical scale listed below:

- 22.3.2.B.1 Possession of credentials: Three (3) points each.
- 22.3.2.B.2 Possession of supplementary authorization(s) one (1) point each.
- 22.3.2.B.3 Possession of one or more of the specialized Training certifications as recognized by the CCTC, examples include but are not limited to BCLAD, Added Authorization in special education (AASE), Reading Specialist. Two (2) points each.
- 22.3.2.B.4 Earned degrees from an accredited four-year institution beyond the BA/BS level. Two (2) points each.
- 22.3.2.B.5 Years taught in an accredited K-12 institution using subject matter authorization for which unit member is hired. Two (2) points for each full year working.

22.3.2.B Third: By Lottery: If there are still ties after the application of 22.3.2.A and 22.3.2.B set forth above, a lottery will be held by the District to determine the order of layoffs. Unit members may oversee the method of lottery and be present during the lottery.

22.4 Rehiring: Ties in District Seniority: Rights upon Rehire

- 22.4.1 Rehiring is to be done in reverse order of layoff as defined herein and pursuant to the Education Code. The former unit member with the highest seniority laid off within the statutory period set forth in the Education Code will be offered the opportunity for rehire into any vacant or newly created position for which they possess a credential, even if said credential is a new credential completed since layoff and is registered with the district office. The results of any lottery held pursuant to 22.3 above shall be utilized in the case of rehire.
- 22.4.2 In the event that two or more certificated employees first rendered paid service for the District in a probationary position on the same date are subject to rehire, the “internal” seniority tie-breaker procedure set forth in Section 22.3 shall be utilized. In the event that there remain ties with the use of this internal District seniority test, and no lottery was held for the subject unit members for order of layoff, the lottery process set forth in Section 22.3 shall be utilized to determine order of rehire.
- 22.4.3 Any unit member rehired after layoff pursuant to this Article shall, upon rehire, be granted the same district seniority, salary schedule placement, accrued sick leave,

and any other previously accrued benefits as were in effect for the unit member on the date of layoff.

ARTICLE 23

Projects denied by the Superintendent or Principal shall be denied in writing stating the reasons for the denial. Unit members may resubmit an amended project based on the written response for the denial. The District shall authorize funding for all projects.

Each Project Educator shall be paid from Schedule Y pursuant to his/her step and column placement. His/her work year shall be 205 days per year. Schedule Y reflects the current salary schedule (Schedule W) with 20 more paid days at the unit member's daily rate. Extra days may be worked in full day or partial day increments. (One day is equivalent to 7 hours.) Assignments as a Project Educator shall be for a maximum of one (1) year.

JOB SHARING

- 24.1 Job Sharing is a plan whereby two unit members share the full responsibility for one identifiable self-contained full-time position.
- 24.2 The job share application (see Appendix D) will specify the benefits to the District and the students as well as the benefits to the unit members involved. The written application will indicate the name(s) of the unit members who are proposing to job share and it will indicate how the unit members plan to implement the job share position. The application must show details of how the unit members intend to coordinate their work, insuring that the educational continuity of the class will be preserved.
- 24.3 Unit members who wish to apply for a job share arrangement shall do so by March 1st of the school year prior to the intended job share. The District exclusively reserves the right of approval. The District may, after March 1st, accept late job share applications that are judged to be in the best interest of the pupils and programs of the District.
- 24.4 Unit members wishing to participate in a job share shall first apply through their principal to the Human Resources office. At least one of the parties to a job share application must be a permanent unit member. Approval of job share requests shall be determined by an assessment of the proposal, meeting the needs of the students and the school involved as well as those of the unit members. Approval of a job share request shall also be determined by the appropriateness of the job share schedule (as determined by the District) and the District's ability to obtain a suitable replacement for the vacancy created by the job share, should it be necessary to fill said vacancy. The Human Resources Office shall approve or deny the application by no later than May 1. If the request is denied, the applicants shall be given the reasons for the denial in writing. Upon receiving the denial, the applicants shall have ten working days to respond to the reasons for the denial and resubmit their application. The District shall respond to the resubmission within ten days. If the resubmitted application is denied, the reasons for the denial shall be detailed in writing.
- 24.5 Job sharing contracts shall be one (1) year in length. Job share contracts shall not be for less than a .2 FTE for either unit member. Unit members must annually submit a request to job share. The approved application shall be binding on the parties, unless mutually agreed upon by the unit members and the district.
- 24.6 Responsibilities for an assignment of two (2) job sharers may be divided or allocated according to the plan designed by the job sharers with the concurrence of their immediate supervisor. It is the intent that job sharers fulfill their instructional duties based on the proration of their employment contract. However, it is understood that the coordination of the classroom activities and instruction between the job sharers will likely require more time than if a single unit member was responsible for the class. In addition, each job sharer

shall attend a prorated share of the faculty meetings, grade level and department meetings (if applicable). Both unit members shall attend regularly scheduled parent conferences as determined in Article 6. Both unit members will attend back-to-school nights and open-house nights. Preparation time shall be prorated between the job share partners.

- 24.7 Each job sharing unit member is responsible for notifying the District when a substitute is needed. The teaching team partner is entitled to first call for substitute service. The job share partners may “cover for each other” rather than calling for a substitute.
- 24.8 A unit member who has been approved for a job share will be granted a leave of absence, if necessary, for the portion of the assignment he/she is not working.
- 24.9 In the event that one of the two job sharing unit members is unable to fulfill the terms of the job share contract the remaining job sharing unit member shall have the options of:
 - 24.9.1 converting to full-time employment in that position, or
 - 24.9.2 continuing the job share with another unit member mutually agreed upon by the remaining job sharing unit member and the district,
 - 24.9.3 continuing the job share with another qualified teacher. If this teacher is not a current unit member, the regular hiring protocol will be used.

Medi-Cal Administrative Activities, MAA

*Added
2013-14*

25.1 To the extent that Medi-Cal Administrative Activities, or MAA, is federally funded, CUTA and CUSD agree to the following:

*Revised
2016-17*

25.2 CUTA will actively encourage all eligible unit members to conduct MAA reporting.

25.3 The District will annually set aside 50% of MAA funds, net of expenses.

25.4. The District will determine the total number of CUTA FTE as a percentage of the total FTE of District employees within fifteen (15) days of the Local Education Consortium's (LEC) notification to the District that all payments and related expenses have been received for an entire school year. This will include only CUTA members who are in a paid status as of the date of the calculation. This will be used to identify the percentage, or share, of MAA funds due CUTA for the MAA reporting year. The District will apply that percentage to 50% of the net MAA earnings received that reporting year. At the time of distribution, the District will provide CUTA an itemized accounting of all expenses related to MAA activities.

*Revised
2016-17*

25.5 Regardless of FTE, this amount will be distributed equally to all eligible CUTA MAA reporters in paid status at the time of the calculation noted in 25.4, as a one-time off schedule bonus. Payment will be made to eligible CUTA MAA reporters within sixty (60) days of the net payment calculation. If this distribution occurs during a summer break, the calculations used in 25.4 will be based on the data from the last student day of the prior school year. The parties recognize that MAA funds generally are received 18-24 months after the end of the reporting year.

*Added
2018-19*

25.6 "Eligible MAA reporters" shall be defined as any unit member that meets MAA qualifications as a time-study participant including, but not limited to, Special Education teachers, teachers of the Visually Impaired, Physical & Health Impaired, Adaptive PE, Speech and Language Pathologists, Nurses and Counselors.

unit member's summer school work year for each industrial accident or illness, terminating on the last workday of said unit member's summer school employment.

- (b) The unused portion of this leave shall not accumulate from summer school year to summer school year.
- (c) The industrial accident or illness leave shall commence with the first day of absence.
- (d) The wages paid to the unit member while on industrial accident or illness leave shall be an amount which, when added to applicable temporary disability indemnity, will result in an amount equal to the unit member's full salary. Payments received as a result of disability indemnity arising out of Workmen's Compensation shall be paid to the District. Regular salary warrants shall then be issued by the District, with normal deductions for retirement and other authorized deductions.
- (e) The unused industrial accident or illness leave of a unit member shall be reduced by one day for each day of authorized absence.
- (f) Upon the termination of the industrial accident or illness leave, a unit member may be entitled to use his regular sick leave in accordance with the provisions of applicable sick leave policies.

26.5.2 Quarantine Illness Leave

Upon certification from a physician, a unit member who is absent because of quarantine resulting from contact with other persons having a contagious disease, shall receive full pay during the period of enforced quarantine for the summer school work year after the unit member has first used all accumulated sick leave.

RE: Class Size and Caseload Maximums for Special Education

This MOU will become effective immediately upon the approval and signature of both the CUTA and CUSD bargaining teams.

In an effort to update the class size and caseload limits for special education teachers, the District and CUTA have reached agreement on a one-year MOU. This MOU will remain in effect for the 2023-24 school year at which time the two parties will return to the negotiations table to discuss possible changes and/or final agreement on CBA language

A comprehensive chart defining all class size and caseload maximums are included in this document.

All other provisions of the CBA will stand as is unless mutually agreed to by both parties. This agreement does not set any past practice or precedent.

***1** Caseloads that exceed the **target caseload** will be reviewed and provided additional para-professional support as identified by the IEP team.

***2** Maximum of two (2) students may be voluntarily or involuntarily assigned to the MAX caseload as indicated in Table 7.5.1. Caseloads that exceed the maximum will be compensated at \$1750/per student/per semester. This does not apply to waiver as per Education Code for RSP (Mild/Moderate Support Needs) caseloads (See 3, 3a & 3b).

***3** Mild/Moderate Support Needs (MMSN replaces RSP) Caseload is determined by Ed Code and will change to match any changes in current Ed Code revisions. Mild/Moderate Support Needs (MMSN replaces RSP) caseloads that require a state waiver will be compensated at \$750.00/per student/per semester up to a max of 4 additional students. The administration will also consider the need for additional aide support.

***3a** Maximum of two (2) students may be added to the max class sizes as indicated for MMSN secondary. Class sizes that exceed the maximum will be compensated at \$500/per student/per semester. Paying a teacher to add students permanently increases that class's max class size for the remainder of the semester.

***3b** For MMSN elementary caseloads of 24 or more, program days are sub-provided prep days to be used exclusively for case management tasks including, but not limited to, IEP scheduling, testing, SEIS data entry, and progress monitoring. Program days will be allocated at 2 days/trimester/ caseloads 24 or over. Up to 2 days may be carried over for 1 trimester.

***4** Caseloads for OI, APE, and ERMHS that exceed the max caseload will be compensated at \$750.00/per student/per semester up to a max of 2 additional students.

***5** Speech and Language Caseload Review: A team of at least one administrator and one Speech and Language Pathologist (SLP) will meet monthly to review caseload distribution. Caseloads that exceed 55 school-age or 40 preschool students will be reviewed to determine the need for redistribution, re-assignment, or other supports. Redistribution, re-assignments, or other supports will be determined, in consultation with the affected SLP.

Caseloads of SLPs who serve both preschool and school-age students will be calculated based on the percentage of each age group being served.
